Route of All Evil Fun Ride

The annual Route of All Evil Fun Ride was a great success with over 150 riders riding the A and B loops at the event. We had a lot of great donations for the raffle and giveaways from our sponsors, including a Gas Gas Moto1 eBike, tires, helmets, goggles, gift cards and much more. Check out the video of the event here: <https://www.youtube.com/watch?v=ZXBu1OX3xrg&t=594s>

ORV Fund

BMMC was successful in their ORV fund application again this year. The club was awarded \$24,970.47 from the fund to perform repairs and upgrades on Canterbury and The Pit. Established in 2017, the Off-Road Vehicle (ORV) Trail Fund is funded from a portion of vehicle registration fees collected by ICBC. The fund's goal is to enhance off-road vehicle trails, providing both B.C. residents and visitors with a quality outdoor recreation experience.

Thank you to our volunteers and paid members

Next trail day will be Sep 28th – the club takes some time off from scheduled trail days for the summer – mostly needing a break after all the time and work put into prepping for the ROAE. The club has logged over 1200 volunteer hours so far in 2025. Come on out and help build the legacy that is Blue Mountain. If you do volunteer trail work (outside of regular Trail Maintenance days as time is tracked by the crew leaders), please log your time at: [BMMC.ca/time](https://www.bmmc.ca/time)
