2025 November Monthly Newsletter

Next trail maintenance day is Nov 30

We always need volunteers for the trail maintenance days and highly encourage riders to come out and help. Trail days are typically the last Sunday of each month. We meet in the staging area around 9:30, organize into groups and then head out for around 10am. We rarely ride in to do trail work – we typically drive and hike in. Many locations will require a truck to get to. If you don't have a 4x4/truck, you can always leave the car in staging and hop in with somebody else. Come prepared with proper clothing and footwear, bring a snack and water – the club will provide all the tools necessary.

Winter trail closures

A number of trails are now closed for the Winter, including Ridge, outer Dr Dementos, KCKK, Holy Grail, Barrel, Spiney Norman, Tunnel of Shove, Dojo, Possum Lodge. They are closed with a sign and typically with orange snow fence. Please do not go around the closure and ride the closed trails. They will re-open again in the spring once the weather improves. We don't like (temporarily) closing any trails, but past experience has shown that a number of trails are particularly at risk of severe damage if ridden in the winter months.

Smokestack Lightning and Olga have been temporarily closed while a bridge is constructed. Once the bridge construction has completed, these trails will be re-opened.

Section 56 Partnership Agreement

BMMC is in the process of renewing our partnership agreement with RSTBC for another 5 years. This is made possible by the tireless efforts of volunteers displaying that BMMC has what it takes to manage a

world class trail network. This valuable recreation resource isn't possible without the ongoing boots on the ground and behind the scenes effort.

AGM in December

The Annual General Meeting will be held on December 4th. It's where the executives get elected/re-elected, and other club business is discussed. The club provides appies (free food!). If you want to know more about the club and/or are interested in getting involved, come on out! We'll be appointing members of the Trail Committee at the meeting – if you're interested in becoming part of the trail committee, this is your opportunity!

Thank you to our volunteers and paid members

The club has logged over 1600 volunteer hours so far in 2025. Come on out and help build the legacy that is Blue Mountain. If you do volunteer trail work (outside of regular Trail Maintenance days as time is tracked by the crew leaders), please log your time at: [BMMC.ca/time](https://www.bmmc.ca/time)
