## 2026 January Monthly Newsletter

### Next trail maintenance day is Jan 25

We always need volunteers for the trail maintenance days and highly encourage riders to come out and help. Trail days are typically the last Sunday of each month. We meet in the staging area around 9:30, organize into groups and then head out for around 10am. We rarely ride in to do trail work – we typically drive and hike in. Many locations will require a truck to get to. If you don't have a 4x4/truck, you can always leave the car in staging and hop in with somebody else. Come prepared with proper clothing and footwear, bring a snack and water – the club will provide all the tools necessary.

### No fires in staging area

Please no fires in the staging area other than a propane fire pit.

### Route of All Evil Fun Ride

The ROAE this year has been scheduled for June 21<sup>st</sup>. Anybody interested in volunteering to help out on the day of the event, please contact Rick Green or Ryan Thom ([President@BlueMountainMotorcycleClub.com](mailto:President@BlueMountainMotorcycleClub.com)). We'll need people to help with sign-up, merchandise sales, BBQ/food prep etc.

### Pack it in Pack it out

Just a reminder to pack out your trash – if you bring food and/or beverages with you on your ride, pack the garbage and empty cans back out with you. Fun fact – empty cans are lighter than full ones and way smaller if you crush the can. Please don't leave garbage in the staging area either.

### Interest in Trail Maps for sale

The club is interested in finding out how much interest there is in sale of the 24"x36" colour laminated BMMC trail maps? If there's enough interest, we'll list them for sale on the website. Price would be around \$50. Reply to the post on Facebook if you are interested.

### Thank you to our volunteers and paid members

BLUE MOUNTAIN MOTORCYCLE CLUB

The club logged almost 1900 volunteer hours in 2025. Come on out and help build the legacy that is Blue Mountain. If you do volunteer trail work outside of regular Trail Maintenance days (time is tracked by the crew leaders on trail days), please log your time at: [BMMC.ca/time](https://www.bmmc.ca/time)
