

Blue Mountain Motorcycle Club

2026 February Monthly Newsletter

Next trail maintenance day is Feb 22

We always need volunteers for the trail maintenance days and highly encourage riders to come out and help. Trail days are typically the last Sunday of each month. We meet in the staging area around 9:30, organize into groups and then head out for around 10am. We rarely ride in to do trail work – we typically drive and hike in. Many locations will require a truck to get to. If you don't have a 4x4/truck, you can always leave the car in staging and hop in with somebody else. Come prepared with proper clothing and footwear, bring a snack and water – the club will provide all the tools necessary.
